Good afternoon Councillor,

Thanks for your email.

No, as you can see by the below extract from the YourSay site (<https://experience.arcgis.com/experience/4476f767a9804c9d87eb2df2ef620661/page/Compare-zones/>), there are no Conservation Zonings proposed for the site.

Kind regards,

Hi Cam

Does any of the current sub-division fall into the proposed Conservation Zoning?

Cheers Candy
